## Cas 1 - Ordenar per títol

### Objectius:

L'objectiu del següent joc de prova és comprovar que es poden ordenar per títol els resultats de les consultes.

### Passos a seguir:

Primer cal carregar tots els documents de prova. Un cop carregats obrim la llista de documents del sistema clicant la icona de la carpeta a la banda esquerra.

Veurem la informació dels documents separada en columnes:

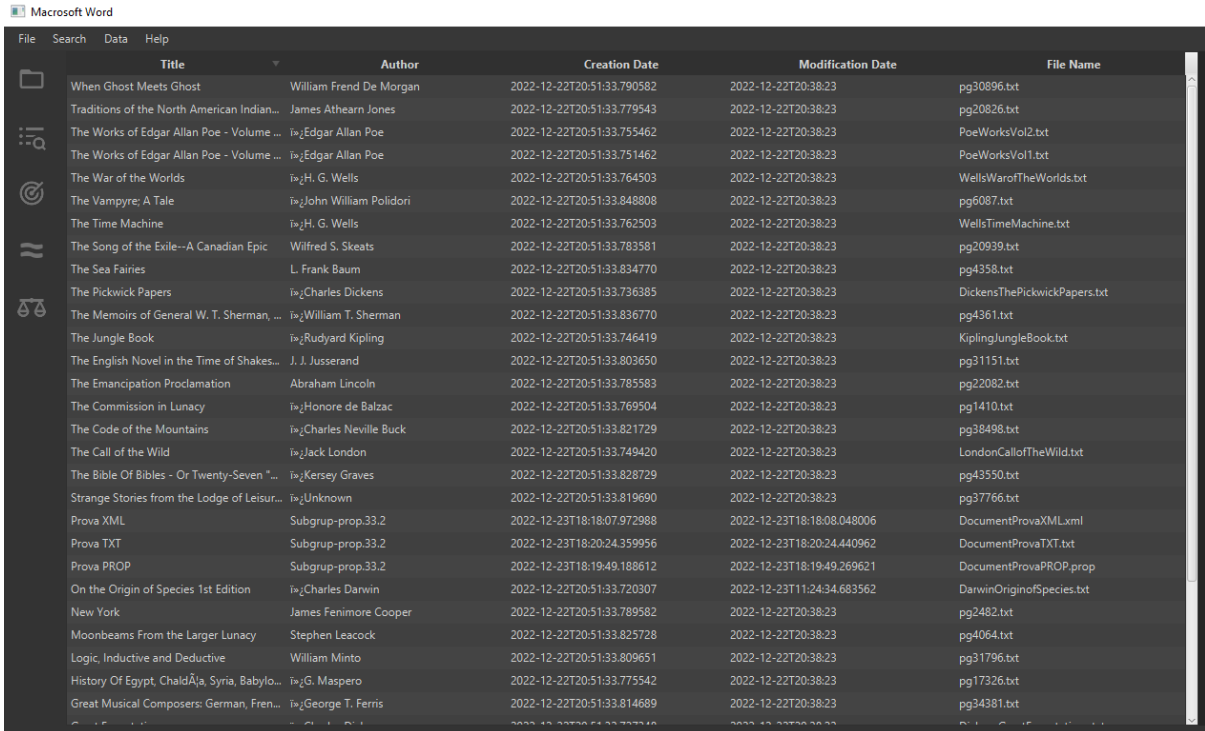

Microsoft Word					
File Search Data Help					
	Title	Author	Creation Date	Modification Date	File Name

Per ordenar per títol només cal clicar la capçalera de la columna “Title”.

Si cliquem un cop, els documents s'ordenen pel seu títol de forma ascendent.

## Cas 4 - Ordenar per data de l'última modificació

### Objectius:

L'objectiu del següent joc de prova és comprovar que es poden ordenar per la data de l'última modificació els resultats de les consultes.

### Passos a seguir:

Primer cal carregar tots els documents de prova. Un cop carregats obrim la llista de documents del sistema clicant la icona de la carpeta a la banda esquerra.

Veurem la informació dels documents separada en columnes:

Microsoft Word					
File	Search	Data	Help		
	Title	Author	Creation Date	Modification Date	File Name

Per ordenar per nom de l'autor només cal clicar la capçalera de la columna "Modification Date".

Si cliquem un cop, els documents s'ordenen per la data de l'última modificació de forma ascendent.

# Cas 5 - Ordenar per nom del fitxer

## Objectius:

L'objectiu del següent joc de prova és comprovar que es poden ordenar pel nom del fitxer els resultats de les consultes.

## Passos a seguir:

Primer cal carregar tots els documents de prova. Un cop carregats obrim la llista de documents del sistema clicant la icona de la carpeta a la banda esquerra.

Veurem la informació dels documents separada en columnes:
